May Club Ride

Nice weather. Having two groups turned out to make it a great ride! The groups met up for lunch.

Upcoming Events

We are planning to participate in the Merrill Labor Day Parade; contact Jon Drew if you plan to participate.

This weekend is the Annual Northwoods ATV/UTV Rally at Fisher's Bar (June 29). Fun will be had by all!

UTV/ATV Poker Run Ride on July 27! Registration is 9 am-11 am at Z's Fork Horners. Raffle and poker hand winners at Z's at 6 pm.

Jon Drew will host a ride August 3 to raise money for the Deerbrook Rumble ATV Ride for the Honor Flight. There be a \$5 (or more if you like) donation for the ride to be given to the event. If you donate you will be given a sticker and can enter a drawing to be held that evening at the MC Festival grounds (old Fudd Fest location) with live music, raffles, and more from 6 to midnight.

August 3 is the only club ride scheduled at this point. If you are interested in hosting a ride, all you have to do is decide on the location and time. It will be posted in the newsletter and those that want to attend will show up. If the ride is out of town, you are asked to provide hotel or campground information. Let us know!

Adopt-A-Highway Trash Pickup

We had a great turnout with about 10 people volunteering for the annual trash pickup on Friday, May 24. We all went out to eat together at Ditch Runners when we were finished. We picked up about 8 bags of trash.

Ad Sign at Harrison Ball Park

The sign is up! The sign will be taken down in the fall after baseball season is over and put up each year at the start of the season.

Check it out!

2019-21 Election Results

Results of the 2019 elections are ...

President	Jon Drew
Secretary	Carrie Heckendorf
Board Position	Garth Heckendorf
Board Position	Scott Steele
Board Position	Hank Damask

Great voting turnout! Thank you for voting!

Trail Maintenance

Trail maintenance volunteers, remember you should be checking your section of trail two times per month and reporting back to Garth each time you go out! Garth collects everyone's' results and submits the material to Kevin each month.

Important Information—We need to get the word out to all riders (members and non-members) to slow down on the John Bailey trail just off Highway D. We are in danger of it closing. We have a lot of money invested in this trail; it would be ashamed to lose it!

Remember do not ride the route in the Town of Gleason (Highway 17 from Bachelor's Avenue on the east side and Town Hall Road on the west side) until you see signs! The fine is over \$250 if you are caught!

Reminder ~ 2019 Membership

Membership is due by June 30. Forms went out with the May newsletter. An incorrect link went out with the electronic newsletters. I think I have it fixed now. I am going to try this again. If you get an invoice and you have already paid, disregard it. If you are still unable to pay electronically, please email me and I will send you an individual link that will work for sure! If you know a member not getting the newsletter, have them double check their email address with me!
