

Club Rides

The first club ride of the year will be this Saturday, May 25. Jon will host the ride starting from B Parking Lot at 10 am. We will have two groups; one group will be riding at a leisurely pace while the second group will ride at a faster pace. We will plan to meet up on the trail for lunch.

Jon will also be leading the ride on August 3. We are partnering with the Deerbrook Rumble Motorcycle Ride for the Honor Flight they are sponsoring. We are asking (not required) for a \$5 donation toward the event. All money raised on our ride will be given to the Never Forgotten Honor Flight program. For those that donation, you will receive a ticket to the event Saturday night at the MC Festival grounds (old Fudd Fest location) with live music, raffles, and more from 6 to midnight. Trail Maintenance

Lincoln County ATV trails officially opened Friday, May 17 at 12 noon.

Remember, if you are a trail maintenance volunteer, you should be checking your section of trail two times per month and reporting your findings and activities back to Garth each time you go out! Garth collects everyone's' results and submits the material to Kevin each month.

There was discussion about logging activities on the trail system. Remember, this is their job and we are there for pleasure. Be patient and respectful.

Map boxes are no longer filled along the trail because the money is being stolen. Maps are available at establishments along the trail. Maps are displayed in kiosks along the trail.

The route in Town of Gleason is just about ready! We have been told that everything is passed; they just have to get the signs up... it will not be long now! (Highway 17 from Bachelor's Avenue on the east side and Town Hall Road on the west side). Remember do not ride the route until you see signs! The fine is over \$250 if you are caught!

Membership

Membership for the 2019 year is due by June 30. Membership forms will go out with the May newsletter. If you have already paid your membership, you are good. New this year... you can pay for your membership electronically! A link will be included with the newsletter email. The links will work for the entire season; feel free to pass it along to other potential members!
